

## **CHERRYBROOK STATE TEAM RESULTS 2011**

In weather that ranged from average to absolutely atrocious Cherrybrook athletes performed magnificently on the weekend. 45 athletes competed in 76 different events and we had 57 finalists. 13 Gold medals, 7 Silver medals and 7 Bronze medals. It was a very fine achievement. Congratulations to all the athletes who made it through to the State Championships. You were competing with the very best in the State and your club, your friends and your parents are very proud of you.

The weekend's weather was certainly a reminder that Athletics is regarded as an all weather sport. Competitors in field events are to be especially congratulated as it was extremely difficult for you. As one athlete commented – the rain is a great leveller for all.

Here is the full results for Cherrybrook athletes. If you are interested in athletes from other clubs or generally looking at the standard, then you can find the full results at [www.laansw.com.au](http://www.laansw.com.au) under results.

## **Club Presentation Night**

Presentation night is scheduled for Sunday 29 May at the Dural Country Club. It will be from 4-6pm. This is not the date listed in the grey book. Please note it on your calendar. Dural Country Club has a Bistro where you could have your dinner following the presentations. The Bistro is extremely popular and you need to book. It is suggested that you book for 6.15 following the presentation. You may even like to get together with other Cherrybrook families for dinner that night. Please make your booking at the Dural Country Club at least a few weeks prior to ensure you get a table.

## **JETS (Junior Encouragement and Talent Squad)**

This program is run by Little Athletics NSW and aims to recognise, reward and foster emerging talent in the sport. It is to give athletes in the U12-U17 age groups the opportunity to develop their skills, knowledge and performances to a higher level in an enjoyable social environment. It offers coaching days and workshops conducted by some of the top coaches around and held throughout the metropolitan area. Several Cherrybrook athletes were members this year and have found it to be beneficial. For the 2011/12 season applications will be online at the start of the season (ie. September). However you can use your results from this season, so if you are U11 this season you may be eligible. Previously the starting age was U13. For more information go and have a look at the JETS section of the Little Athletics website which will give you qualification information. There is a small fee for membership and this season a \$12 fee for each coaching session of 3 hours. It is a very worthwhile program.
