

Cherrybrook Little Athletics

We hope all our Little Athletics families are staying dry in all this rain – and that everyone is crossing their fingers that it eases up in time for this Friday's Competition Night, when we will be running Program 3 which was held over from last week.

Also this week, we are aiming to take as many of our Age Group photos as possible for our end-of-season Red Book, so make sure athletes wear their full uniform and brightest smiles! A schedule for photos will be issued later in the week, but will depend on available light and how quickly we can get everyone positioned and ready ... any groups who do not get photographed this week will be done the following week.

TWO IMPORTANT NOTES:

- Any families who leave early during Competition Nights are asked to please LET YOUR AGE MANAGER KNOW to avoid any panic over missing athletes!
- Please BE CAREFUL when moving about the Oval – particularly when crossing the circular track.

HELPERS NEEDED

WE ARE STILL IN NEED OF RACE STARTERS. If you are interested in volunteering for this regular duty, email cherrybrookathletics@gmail.com. If we do not have enough starters, events will be delayed each week.

Please remember we are a **100% volunteer-run club** – without enough parent/carer helpers we cannot run our full program of events. Please check duty allocations with your Age Managers each week.
