

## Officials Travel & General Cost Assistance

“An appropriately qualified official may submit a claim for travel allowance remittance for expenses incurred when they have travelled outside Sydney metropolitan area, requiring overnight stay to officiate.

This claim is to be treated using the same scale of reimbursement that applies to athletes claiming for travel to the same classification of precinct.

Claim approval is strictly subject to Committee discretion, with no precedent set by previous claims, and no further correspondence entered into.”

**Athlete & Officials Funding Claim forms can be found on the Cherrybrook Website**
