Remembering Nicky

We miss you, Nicky. We cheered as loud as we could, yet we could hear one voice was missing. We supported and applauded each other as much as we could, yet still felt the loss of that one person who was always in our corner, celebrating every achievement no matter how small or large. You always had our backs, now we proudly wear your initials on our backs – and sometimes on our arms. Talk about wearing your heart on your sleeve!

Nicky Jenneke came to Cherrybrook Athletics with her daughters, Shelly and Cathy, in 2002 and quickly became a volunteer. Over more than 20 years, she held various committee positions but was always a jack-of-all-trades doing whatever was needed, whenever it was needed. Nicky was a driving force in the growth of our club for the benefit of all athletes, from our youngest Tots to our oldest Masters. Even through ill health her dedication to, and love for, the Club never dwindled. She was a coach, mentor, champion and friend to all our athletes, who loved her as much as she loved and supported them. Nicky passed away in May 2025. In honour of her remarkable energy, enthusiasm, and contributions to the club and its athletes, we have established a new award – The Nicky – which recognises an outstanding athlete or volunteer who consistently embodies the spirit and values of our club. It honours someone who, like Nicky, makes a meaningful impact through dedication, fair play and kindness. Criteria includes respect, dedication, positive attitude, kindness and support, team spirit, and service to the club.

Together with the Jenneke family, who remain closely involved in the club, Cherrybrook Athletics is delighted to announce our inaugural "The Nicky" winner is: **Karen Connell**. Karen does so much to help the smooth running of the Club for the benefit of all athletes – from Tots through to Masters – and is always happy to take on any extra task needed, to the point much of what she does behind the scenes goes unseen ... apart from that things get done! From helping organise Friday Club Competition nights – including collecting bananas – and promoting and competing in Treloar Shield and recognising our amazing point scorers, to her social media posts announcing news and sharing successes, ensuring photos were collected and collated and helping with the Red Book, ensuring parents and athletes were informed and offering her support and help to many. Even helping clean the club house and storerooms. Nicky would be so proud of everything Karen has done this season.

**The inaugural winner
of 'The Nicky' is:
Karen Connell**

President's report

The 2025-2026 season has been one of consolidation, underpinned as always with true Cherrybrook spirit. It was the first season in which LANSW and ANSW fully transitioned into a unified athletics body, culminating in a rebranding under the one name: NSW Athletics. Similarly, we have also now rebranded as unified Cherrybrook Athletics Inc.

It was also our first season without our beloved Nicky Jenneke, who passed away in May 2025. I found myself remembering our much-loved Nicky most weeks when there was athletics on. For me that was every week. She would be proud of the strength of the club and how you all performed.

We honour her long-standing commitment to – and love for – the club and its athletes through a new award, The Nicky, as well as adding her initials to the back of our new uniform. Along with our new uniform we welcomed a new supplier: SportsMagic.

And so, our season began with reflection but also fresh enthusiasm and excitement.

Cherrybrook continues to enjoy strong athletics membership numbers from Tots to U20s, through to Open including Para and Masters, along with our officials, volunteer and parent helpers. We had 527 athletics registrations from Tots to Masters, plus 18 officials and other volunteers.

It was great seeing so many of our younger athletes stepping onto the track and field alongside their older teammates to represent Cherrybrook – with great success – in the Treloar Shield interclub competition, and I have particularly enjoyed seeing parents and their children – in some cases entire families – all competing. In what can only be described as one of the great achievements, Cherrybrook led all clubs in NSW in having six teams qualify for the Treloar Shield finals – a truly monumental effort driven by many, but I'm sure still controlled by Nicky who remains paramount in our thoughts regularly.

Whether at home at Greenway or on the national stage, it was so good to see athletes of all ages supporting and encouraging each other. It is also heartening to see many of our now senior athletes keep up their involvement on Friday Club Competition nights through the continuing success of our Up & Coming Coaches program.

We are a club for all ages – from Tots and U6 to athletes into their 70s – and all abilities. Our Tots program continues to grow and evolve under the expert guidance

Photo: Greg Griffis

of Justine Wallis and her wonderful team. Group-based activities allowed for more personal attention and a closer engagement with each of the wonderful coaches. Our Tots program truly is the envy of many other clubs.

From the youngest to our oldest, our Masters were celebrating a winning season starting with a successful Masters Come & Try night which helped swell our ranks to build a mighty team of Masters.

We have had a wonderful season, from some remarkable representative results to simply seeing the smiling faces of athletes turning up – whether at Greenway on Friday or at a senior meet – just to have a go, have fun, make new friends and achieve their best. We celebrate every success, especially the 8722 individual personal bests recorded at Club Competition nights, and the countless other PBs in seniors competition celebrated throughout the season. The many amazing achievements of our athletes are recorded in the following pages.

Off the track and field, members at Greenway will have seen the finalisation of the lower clubhouse area, and completion of the new storage in the old club rooms. The transition of the canteen, first aid facilities and some seating has been well used and received. Significantly the club received a wonderful donation to supply a vehicle to assist with equipment setup and transport. The "Red Frog" takes pride of place on a Friday night.

Community sports clubs such as Cherrybrook Athletics don't run by themselves, and there are many people and organisations which support us week in, week out who deserve our thanks especially our sponsors Bakers Delight Cherrybrook, Core Active Health, Hunter Pacific International Ceiling Fans, Wamee, Ray White Upper North Shore and Mad Mex. Thank you also to the volunteer teams from St John Ambulance who supported our athletes every Friday night. We also thank our club officials, without whom our athletes of all ages would not be able to compete at carnivals and championship events.

Thanks also to our dedicated parents/carers who act as Age Managers each week, and those who step up to help beyond the regular rostered duties. We also thank those athletes and parents/carers and even aunts, uncles and friends who volunteered to assist officials at major events at all levels of competition.

And, of course, the club could not operate without the dedicated committee volunteers and I thank every one of them for everything they do. I especially thank Richa Bhasin for her work on our newsletters, social media and Red Book, and Neridah Burke, our Junior Championships and Registrar assistant. Both are now stepping down and their contributions will be greatly missed.

Thank you to everyone who has supported me as president. I will always strive to achieve the best for all our athletes and our club, and to ensure athletes' needs remain the focus. Thank you, and I look forward to seeing many of you again in season 2026-2027!

HOW CHERRYBROOK ATHLETICS BEGAN ... as recounted by founding coach James FitzGerald

James FitzGerald was a young athletics/running coach and student teacher when a group of athletes' parents asked him about starting a new club which ran on Friday nights. At the time, many of the athletes James coached attended private schools, with mandatory Saturday sports commitments, so traditional Saturday morning Little Athletics sessions were not an option. So, at the age of just 23, James set about finding out what was needed to establish an athletics club. With the help of a group of enthusiastic parents, particularly Wendy Mason, they formed a committee and started planning and promoting the club to local schools. James says the aim was not to compete with other local Little Athletics clubs but to offer an alternative by holding competitions on Friday nights rather than Saturday mornings.

At the time, James was practical teaching at John Purchase Primary School at Cherrybrook, where his younger siblings – brother Joel and sister Jessica – were then students. James spoke about the new club at assembly, with the result that 176 John Purchase students – James' siblings included – joined the club in the first year. They were among more than 400 young athletes who became Cherrybrook Little Athletics founding members in its first season.

"That first night was absolute chaos," James recalls. "I was just a young bloke and not expecting more than 400 kids."

In its very first season, Cherrybrook Little Athletics featured on the front page of the State Championships program (yes, they used to be printed) with a photo of Adam Watson who ran in U9 200m

James said he grabbed the megaphone and announced they were going to "set a Guinness World Record for shuttle relay" which managed to keep the kids engaged for about 20 minutes while other committee members got organised. James soon roped in some friends from university to do their Level 1 coaching course and help out on Fridays to ensure Competition Nights ran smoothly.

As a new club, equipment was also needed – most notably high jump set ups and hurdles. James' grandfather, who had been a successful businessman in the UK, told James to price what was needed and then signed a cheque to cover the total cost. Today we still honour this foundational financial support with the TJ Beale award in James' grandfather's name. James describes the early days of the club as "enjoyable" and "crazy" and he remains incredibly fond of his and his family's time with Cherrybrook Athletics. While James soon moved on to other coaching opportunities, Joel excelled as a distance runner and Jessica as a multi-event athlete with the club.

Cherrybrook Athletics has always stayed in James' heart, and alumni Jenny Blundell – who was born the same year as the club was formed and was initially coached by Valme Kruger while with Cherrybrook Little Athletics – was one of two athletes who James coached to the Olympics in Rio, at the time becoming the "youngest coach with no athletics background" (*he did compete in many sports). James still coaches Jenny – and a whole host of successful athletes – and loves watching Cherrybrook Athletics continue to grow as one of the powerhouse clubs in the state, and joins us for presentations whenever he can.

Cherrybrook Athletics Club is proud to have been part of the local community since we began in 1994 as a Little Athletics Club for athletes in U6 to U17 age groups. Our Senior Athletics Club began in 2001 for athletes aged 11-plus through the Juniors, Seniors (Open) and Masters divisions of Athletics NSW, including para athletes at all levels.

Our Cherrybrook Tiny Tots Crew program for children aged 3-5 years was introduced in the 2022-2023 season meaning we now cater for athletes of all ages – from 3 to 103, including young athletes and their parents, and even potentially grandparents! Cherrybrook has long been a unified club, providing a seamless transition for athletes from the Little Athletics stream into Senior NSW events.

With the partnership between our state parent bodies now formalised under the one banner, we have also now voted to change our name from Cherrybrook Senior and Little Athletics Centre Inc. to CHERRYBROOK ATHLETICS INC.

Treasurer's report

Cherrybrook Athletics Centre's financial position at 31 March 2026 remains strong with accumulated funds of \$141,893. This represents an increase from the previous year (\$140,483) as a result of the current year operating profit of \$1,410. Accumulated funds comprise assets of \$141,893 – \$109,552 cash, plant and equipment at written down value of \$23,646; uniform stock at written down value of \$1,179 and sundry debtors and prepayments of \$7,516. The operating profit of \$1,410 compares with a loss of \$14,705 in the previous year. Total income has increased from last year while only some expenses have increased. The major items and variances are discussed further below.

Total canteen sales for the year of \$19,365 are in line with last year of \$19,381. After purchases, canteen net profit increased by \$104 (1%) to \$10,905. Several Competition Nights were again lost due to poor weather this season. Bakers Delight Cherrybrook continued its sponsorship this season by supplying half our bread rolls free every Friday night.

Total uniform sales for the year of \$3,190 decreased from last year by \$8,715 (73%). This is chiefly due to the signing of an agreement with Sportsmagic prior to the beginning of the season, whereby they would manufacture, sell and hold stock of our club uniform. Sportsmagic pays us 10% commission on their sales and we received \$1,362. We continued to sell our uniform stock during the season, reflected in the sales of \$3,190. At year end our stock on hand consists of Sportsmagic samples of \$1,247; some remaining old stock of \$932; net of a provision of \$1,000. Stock decreased by \$5,592 to \$1,179 (net of provision) as a result of sales of the old uniform, reducing the provision against slow moving stock by \$1,000 and donating obsolete stock to charitable organisations in the Philippines to the value of \$4,260.

Other income increased by \$29,940 (53%) to \$86,532. This year we received a donation of a golf buggy with a value of \$8,014 to assist with Friday night competition logistics. This season we were successful in receiving a grant of \$2,472 from Little Athletics NSW for equipment where we paid half the value and they paid

the other half of the value. Registration fees received and Active Kids receipts net of registration expenses (paid to Little Athletics and Athletics NSW) are \$60,430, which is an increase of \$17,276 (40%) from last year. Total registrations at 527 have increased from last year of 513. Sponsorships received increased by \$2,934 (33%) to \$11,822 (\$5,000 received after year end from Hunter Pacific International to fund coaching; \$3,322 from Wamee to fund regional representative shirts; and new sponsorships from Ray White Upper North Shore \$2,500 and Mad Mex Cherrybrook \$1,000). Other income items are in line with the previous year.

Other expenses increased by \$12,139 (15%) to \$93,600. Friday night coaching (again funded by Hunter Pacific's sponsorship of \$5,000) decreased by \$3,733 to \$11,180 (25%). Athletic funding increased by \$6,000 (67%) to \$14,900 which is chiefly due to two more athletes selected for ALAC being assisted this year as well as additional athletes qualifying for and submitting funding claims. Trophies and awards and AGM and Presentation Night expenses in total of \$24,590 have increased by \$4,148 (20%) from last year. This season we held our Junior Presentation Night at the end of March rather than the usual May; therefore this year's expense includes two junior and one senior presentation nights. Ground and amenities hire has increased by \$2,449 (30%) to \$10,498 mainly due to our contribution to the new Greenway building, which gives us usage access to the new building for meetings and presentation days. Friday night competition expenses of \$1,403 increased by \$571 (68%) due to the purchase of a large batch of new place ribbons this year. Tots expenses of \$1,668 relate mostly to their separate presentation night and coaches shirts.

Plant and equipment net written down value increased in total from \$19,003 to \$23,646 as a result of additions of \$14,025 net of depreciation of \$9,382. The additions include the golf buggy; starting blocks; and lane timers, hurdles and starting blocks purchased with assistance of the grant. Additions are only depreciated for part of the year after they are installed ready for use.

I would like to particularly thank all canteen helpers throughout the season and the many volunteers who have continued to assist with our operations.

Sandra Moore

Secretary's report

Now in my second season as Secretary, it's been a pleasure to continue in the role and to work with such a dedicated, hard-working committee. This group genuinely wants the best for our athletes and our community, and being part of a team that shows up week after week with that kind of heart has made this season incredibly rewarding.

It's been another big year for Cherrybrook Athletics. With new committee members joining us and fresh ideas coming through, we've kept building on the club's long and proud history while also looking at how we can keep improving – and this year it was so exciting to see our athletes in new uniforms, giving the club a fresh, modern look. I couldn't be prouder to even see some of our Open athletes competing and wearing our club uniform on TV!

One of the standout highlights has been the major increase in registrations and, even better, the number of people consistently turning up on Friday nights. The atmosphere has been fantastic – a full track, lots of smiles, and a real sense of community.

On the competition front, our younger athletes delivered brilliant attendance and results at Zone, Regionals and State, doing Cherrybrook proud at every level, while athletes of all ages showed the depth and strength of our club at Treloar Shield, relays, and state and national championships. Their effort, sportsmanship and enthusiasm have been a real reflection of the culture we're building.

We wrapped up the Club Competition season with a huge turnout at the end-of-year presentation, which was a wonderful chance to celebrate PBs, fun and friendships – and doing it earlier than previous years was a welcome change, as our older athletes prepared for National competition and finally our Seniors presentation to bring the season to a full close.

Looking ahead, there's plenty to be excited about. With strong momentum, growing numbers and a community that keeps showing up, we're already looking forward to an even bigger 2026-2027 season – hopefully with weather that's a bit more on our side.

A big thank-you to the Executive Team, the committee and the entire Cherrybrook community for your support, commitment and co-operation. It's been a fantastic season, I can't wait to build on it next year.

El Rann

Registrars' report

Cherrybrook Athletics continues to enjoy strong growth in numbers, with 527 athlete registrations from Tiny Tots through to Opens this season – up from 514 the previous season – with the most significant increase in the ranks our Open athlete membership, driven largely by the recruitment of new Masters athletes.

Our third annual Masters Come & Try night in September resulted in 14 new Masters registrations, taking our mighty Masters total to 33 – with many of them the parents and carers of younger members. Overall our Open membership numbers grew from 32 to 49 this season, while U20 memberships grew by two to 15.

Open/Masters athletics offers not only a competitive outlet but also a meaningful way to stay active, healthy, and connected and we are excited to continue growing this group in the seasons ahead. Many of our Masters athletes are also our strongest advocates encouraging people of all ages – and all abilities – to enjoy athletics.

Similarly, our two trial nights for the Friday nights Club Competition season for the 6-17 age groups attracted 66 potential new athletes of whom 42 – approximately 64% – went on to register for the season, taking our total Tots to 17 athletics memberships to 458.

This was our second season under the new single, streamlined registration portal for all age groups under the ongoing partnership that brings Little Athletics NSW and Athletics NSW together. The key statistics are:

- Total registrations 545: Athletes (Tots to Open) 527 including 5 multi-club athletes; volunteers and parent helpers 8; administrators 7; officials 3
- Age groups: Tiny Tots: 43, 6: 46, 7: 45, 8: 49, 9: 42, 10: 52, 11:42, 12: 30, 13: 35, 14: 25, 15: 25, 16: 13, 17: 11, U20: 15, Opens (under 30): 16, Masters (30+): 33
- Largest Club Competition group: 10 Girls with 27 athletes, followed by 8 Girls with 26
- Top 10 suburbs of athletes: Cherrybrook 139, West Pennant Hills 83, Castle Hill 42, Dural 32, Wahroonga 23, Pennant Hills 17, Beecroft 15, Thornleigh 15, Kellyville 15, Baulkham Hills 11

It has been incredibly rewarding to work closely with athletes of all ages and their families. On a personal level, competing as Masters while also supporting others through registration and competition has highlighted the dedication and camaraderie that define Cherrybrook Athletics and we are already looking forward to what promises to be another fantastic season in 2026–2027.

This season we recognise
Jill Ingram and Sandra Moore
with Long Service Awards

Jill Ingram and her husband Jason both enjoyed athletics as kids and signed their eldest children up with Cherrybrook Little Athletics in 2001. On their first night, Jill — with a baby and toddler in tow — volunteered as Age Manager, a role she held for several seasons (and which Jason took over) before being recruited to the committee in 2005 by her dear friend, Nicky Jenneke. Her roles included Records and Rankings — from when parents stood in each lane with stopwatches looking for the puff of smoke from the starting pistol to researching, installing, and managing electronic timing gates — uniforms, Zone official, and Zone/Region results entry.

Since 2012 Jill has been website administrator.

Three of the four Ingram children excelled in the same events as their parents, sprints and jumps, and continued through Little Athletics to Senior competition. Even now that her kids have grown up, and with two grandchildren who joined no longer able to continue due to distance,

Jill still volunteers with the club because of "strong community spirit, the passion of the committee and the family friendly atmosphere".

"It is rewarding to see the friendships that develop among athletes, to watch them encourage one another to do their best and potentially develop the sport into a lifelong passion. All of this makes my involvement feel worthwhile."

The Moore family joined Cherrybrook Athletics in 2005, with Sandra helping daughter Kristina's U6 age manager and her husband 'Moose' helping son Alex's U9s in their first season. By the next season both were officially Age Managers — a role Moose continued in until Alex graduated from Little Athletics — while Sandra was soon invited, by Nicky Jenneke of course, to join the committee, initially as assistant Age Manager co-ordinator in season 2007-2008 before taking over as co-ordinator the following season. When the treasurer position became vacant in 2010, Sandra — who has a background in accounts and finance — then took over that role, while also helping in the canteen on Friday nights until that co-ordinator role also become vacant and Sandra ultimately took on running of the canteen as well. Kristina went on to represent Australia at the Youth Commonwealth Games in 2015, winning gold in discus and placing 4th in shot put. But with both children now adults and no longer involved in the Club, Sandra has continued in both committee roles as her way of "giving back to the community".

"The Club has given myself and my family a lot, I have enjoyed the people and being part of a committee that is helping young athletes to have fun, develop physical skills and strive to be their best."

Charithu De Mel

Teddy Hampton, Xavier Hennessey, Caitlin Shannon, Thomas Shannon and Idris Burkhardt also helped when available during the season

Competition Nights rely on our Up & Coming Coaches each week and we thank Hunter Pacific for continuing to support this very important project.

Coaching report

Cherrybrook Athletics Club offers a wide range of coaching options – and we put a great deal of effort into ensuring our coaching is not just of the highest standards but also provides some of the best opportunities for athletes of all levels to improve and perform at their best.

All our senior track and field coaches – who offer multiple mid-week coaching sessions catering to different standards and ages – are qualified and accredited, and always up to date with the latest innovations in athletics as per the Australian Track and Field Coaches Association. Our coaches, under the guidance of Cherrybrook Coaching Co-ordinator Valmé Kruger, achieve the highest results for their athletes - many of whom have gone on to represent Australia.

All our Senior coaches' experience, accreditations, training times, additional fees and contact details can be found on our club website at cherrybrookathletics.org.au.

Senior coaches:

Valmé Kruger - middle and distance running, cross country

Mick Zisti - sprints and hurdles

Carla Takchi - junior sprints and hurdles

Rob Clark - senior throws

Anna Kely - throws

Zac Hayward - high jump

Joey Ryu - horizontal jumps

Up & Coming Young Coaches Project

Launched eight seasons ago, thanks to the generous and ongoing sponsorship of Hunter Pacific International, this program has grown from strength to strength under the leadership of Coaching Co-ordinator Valmé Kruger - providing opportunities for our young athletes to develop and enhance their coaching skills and experience.

Our Up & Coming Young Coaches are generally current U15-U17 athletes and former Little Athletics alumni who, like our Senior coaches, are required to undertake proper training and accreditation, with a structured system of rewards to encourage them to further develop their coaching knowledge and abilities including complete Australian Institute of Sport coaching modules and, from age 16, Level 1 Track and Field Coaching accreditation. They are actively involved in Club Competition Nights from start to finish, teaching and guiding younger athletes from U6-U14 in various athletics skills as well as setting up and packing up which has assisted greatly in the smooth running of our Competition Nights.

Age Managers

Our Friday Competition Nights could not happen without the dedicated parents/carers who act as our volunteer Age Managers, who are responsible for co-ordinating their groups and recording results.

Age Manager co-ordinator: Andrew Jordan
 U6 Girls: Cathy Jenneke, Marisol Han U6 Boys: Alex Pradhan, Justin Steer, Shweta Maharjan U7 Girls: Trent Hobbs, Katrina Sowaid, Christine Santoso U7 Boys: Lauren Bathur, Kate Hilgendorf, Natasha Doherty U8 Girls: El Rann, Chris Pittaway-Burnell, Michelle Dickson U8 Boys: Kathryn Hoogesteger, Danielle Gordon, Brett Sinclair U9 Girls: Penelope Beani, Manisha, Paul Faithfull U9 Boys: Kirsten and Jonathon Schulbach, Chris and Antonija Wu U10 Girls: Kirsty Johanssen, Kim Tee U10 Boys: Chris Rann, Emma Ellis, Will Darby U11 Girls: Julie-Ann Wigham, Belinda Backhouse U11 Boys: Wendy Jones, Trish Halfhide, Kellie Mork U12 Girls: Kate and Ed Howitt U12 Boys: Darya Reid, Grant Reid U13 Girls: Karen Connell, Andrew Jordan U13 Boys: Chanaka Fernando, Sarah Leivesley U14 Girls: Chamilla De Mel U14 Boys: Brendan Maher, Anthony Penn U15-17 Girls Raaf Tawbe, Neridah Burke, Avril Graham U15-17 Boys: Erin Sharma

OUR ATHLETES & Awards

Tiny Tots

We continue to delight in seeing our youngest athletes grow in confidence each week as they develop their physical skills – and make new friends.

Cherrybrook Athletics introduced Tiny Tots in the 2022-2023 season, providing a structured program of activities to help children aged 3-5 years develop foundational skills of running, jumping and throwing and fostering a lifelong love of athletics and being active. Our sessions run before our regular Club Competition nights on Fridays.

Our 4th season has been another successful season full of happy, healthy Tots. We started every session with a starfish warm up dance that brought lots of smiles (especially when the grown ups joined in!) and the parachute was a crowd favourite at the end of every session.

We introduced animal groups – frogs, cheetahs, lions and octopus – and some new activities such as 'Around The World'. A big thank you to the coaches – Aliyah, Zoe, Immy, Ivy, Pip, Emily, Abbie, Ash, Tyson, Evan – for supporting our youngest athletes this season.

COLOURED PATCH AWARDS

Our Club Competition Colour Patch program encourages athletes in U7 to U15 to strive to improve their personal best results across a range of events. Colour Patches are achieved in ascending order, with Yellow, Green, Red and Blue awarded during the season to athletes who achieve the required results in the required number/combination of track and field events. Results can be attained at Club Competition Nights, gala days, Zone, Region and State, and all ANSW events.

Gold Patches, which are attained by achieving the highest standard in any two events, are the most prestigious and hardest to achieve, and so are usually awarded at Presentation Day. This season a total of 206 patches were awarded: 81 Yellow, 62 Green, 35 Red, 17 Blue and 11 Gold.

Ashleigh Mansell 14G
Abigail Wigham 14G

Awards criteria (winners recognised on Age Group pages which follow):

Most Consistent Track Athlete and Most Consistent Field Athlete (Age Groups 7 to 15): Points are awarded based on Club Competition night results. To accrue points athletes should attend as many Competition Nights as possible (at least 52% or provide a valid reason for attending fewer), enter as many events as possible and finish in the top 10 for which points are awarded as follows: 1st = 10 points, 2nd = 9 points, 3rd = 8 points, 4th = 7 points, 5th = 6 points, 6th = 5 points, 7th = 4 points, 8th = 3 points, 9th = 2 points, 10th = 1 point

Most Improved Athlete (Age Groups 7 to 15): Points are awarded any time an athlete improves their best result on Club Competition nights: Better than last personal best = 10 points, equal to last personal best = 5 points

Notes: If an athlete achieves first place in both Most Consistent Track Athlete and Most Consistent Field Athlete, they will be awarded one trophy as Most Consistent Track & Field Athlete. If an athlete wins a Most Consistent award and Most Improved, they will be awarded only the Most Consistent award – which is considered the most prestigious – and the Most Improved trophy will be awarded to the first eligible runner-up in that category. Points and periods of calculations may change from season to season, and are reliant on other club criteria (eg parent/carers duties) being met.

Club Spirit Award (Age Groups 7 to 15): Introduced in the 2025-2026 season (replacing the previous Newcomer Award) recognising athletes who consistently demonstrate outstanding character, commitment, and respect for our sport and club values. Athletes must attend at least 60% of Competition Nights, display positive sportsmanship including respect for officials, volunteers, and fellow athletes; encouragement of teammates; fair play and integrity; pride in representing Cherrybrook Athletics; and have not received another Major Award.

Performance awards (Age Groups 7 to 15): These were introduced in 2011-2012 to recognise athletes who have performed well in a particular event or discipline at club level but have not received a Major Award.

Club Athlete of the Season (U14 to Masters): The Senior Club's highest award recognises both the male and female athlete with the highest achievement in each division.

Most Consistent Athlete (U14 to Masters): Awarded to both a male and female athlete in each division, based on a points system tallied each time an athlete competes for Cherrybrook Athletics in interclub and championship events, either at Club or representative level. Athletes must compete on at least five occasions to be eligible.

TJ Beale Perpetual Trophy

This award honours Mr TJ Beale, who provided the initial funding when Cherrybrook Little Athletics was founded in 1994, with Mr Beale's grandson James FitzGerald as foundation coach.

The TJ Beale Perpetual Trophy has been awarded every year since to both a boy and a girl athlete who epitomise the philosophy of Little Athletics.

Criteria consists of at least two years with the Club, attendance of at least 70% in the current season, a positive attitude and good sportsmanship.

Since 2000-2001, the trophy has been awarded exclusively to U12 athletes. This season, unfortunately no U12 girls met the criteria.

Mr FitzGerald joined us at Presentation Day to present the boy's award to Hugo Jordan.

Multi Night Overall Winners

Multi Night is run like a regular Competition Night, but with points based on time/distance in each event – according to current standards for each event, age group and gender – accrued as a total over ALL events, similar to how pentathlon, heptathlon and decathlon events are scored. Athletes must compete in all events on their regular program to achieve an overall Multi Night score.

The top three point-scoring athletes in each Age Group receive a certificate at Presentation Day, with a special award – presented this season by LANSW Sydney North coaching and development officer Alvin Umadhay – to our overall Multi Night Boy and Girl top point-scorers who were:

EMILY DICKSON (8G) & NOAH SCHUBACH (9B)

DANIEL BERRY AWARD

This very special award honours Daniel Berry, a much-loved and respected Cherrybrook athlete who from 2009-2013 broke many NSW and Australian records in the U20 and Open para divisions on the track, from 100m to 1500m, and on the field in long jump and discus. He was just 22 when he tragically lost his life to cancer in 2013. Daniel will long be remembered by our Club for his loving nature, generous spirit, excellent sportsmanship, competitive drive, humble attitude, and the inspirational way he lived his life on and off the athletics track.

In his memory, the Daniel Berry Award was introduced in the 2013-2014 season. It is awarded to an athlete aged 16 or older, with a positive attitude and willingness to embrace good sportsmanship. The athlete must have competed at least eight times in the season (for Cherrybrook Senior Athletics, NSW Athletics and/or Athletics Australia).

**WINNER:
EMILY BRITTON**

Emily joined Cherrybrook Athletics seniors division in season 2014-2015 at the age of 13. Now in her 12th season and at the peak age of 25, she has evolved into an elite-level athlete but one who remains a strong team player who shows incredible attributes of sportsmanship, and a positive yet humble attitude.

She competed for the club on 10 occasions this season, including Treloar Shield and State Relays where – although mainly known for her speed – she surprised many onlookers with a discus throw of 28.68m as part of the Open B relay team. She also competed in the 4 x 100m team which qualified for the final. At the start of this year Emily clocked her first sub 12-second 100m sprint with an impressive 11.87 in Illawong.

She came 4th in 60m hurdles the National Short Track competition, and was selected in high performance meets such as the Perth Track classic and Maurie Plant meet - finishing second in 100m hurdles at both.

Emily's competitive drive was highlighted in her narrow second placing in 100m hurdles at NSW Open Championships, and a month later she was a silver medallist at the National Championship with an incredible PB of 12.95 – which was enough to be selected in the Australian team for Oceania. Emily has generous team spirit and supports any Cherrybrook athlete who steps out on to the track or field. Emily is such a great role model for her positive attitude, commitment and determination every time she competes. She is a very worthy award winner and an athlete Daniel Berry would have been very proud of.

KRUGER DISTANCE AWARD >

Named after Valmé Kruger, a Cherrybrook Athletics Life Member and founding Senior Club member, who has coached middle and long distance running for more than 20 years with elite athletes such as Olympian Jenny Blundell. Points are awarded reflecting both participation and results to athletes in 800m, 1500m, 3000m and 5000m and steeplechase.

WINNER: Aliyah Bennett

< MOORE THROWS AWARD

Named after our long-time Treasurer and Life Member Sandra Moore and her daughter Kristina, a former Cherrybrook athlete and elite thrower who represented Australia in discus and shot put. Points are awarded reflecting both participation and results to athletes in shot put, discus, javelin, hammer throw and weight throw.

WINNER: Jill Taylor

SHARPE JUMPS AWARD >

Named after John Sharpe, our Senior Club founder, former president, Life Member and jumps coach for more than 20 years for elite international athletes such as Amy Pejovic and Ben Jaworski. Points are awarded reflecting both participation and results to athletes in long jump, high jump, triple jump and pole vault.

WINNER: Imogen Connell

< ZISTI SPRINTS AWARD

Named after Mick Zisti, a founding Senior Club member who has coached sprints and hurdles for more than 20 years with elite athletes such as Olympian Michelle Jenneke. Points are awarded reflecting both participation and results to athletes in 60m, 100m, 200m and 400m.

**WINNER: Kim Neuenkirchen
& David Beattie**

JENNEKE HURDLES AWARD

The Jenneke Hurdles Award is proudly and generously sponsored by the Jenneke family who have been associated with Cherrybrook Athletics since 2002. Points are awarded recognising both participation and performance across all hurdles events, and is awarded to the top three hurdlers.

WINNER:
Andrew Kim

RUNNER-UP:
Marco Boccaletti

SECOND RUNNER-UP:
Emily Britton

HIGH ACHIEVER AWARD

This award had its roots in the club's past nomination of an athlete of strong state level ability for consideration by the zone committee, who would then nominate a local athlete for a scholarship offered by LANSW sponsor McDonald's. In recognition of their nomination, Cherrybrook's chosen athlete received a plaque as the club's High Achiever. While the scholarship program ended many seasons ago, Cherrybrook Athletics has continued to award a High Achiever to an U17 athlete or athletes with strong state level ability, good sportsmanship, leadership and club spirit.

This season's winner is Samuel Price, who has been a member of Cherrybrook Athletics for five successful seasons, building an impressive medal tally over that time – and this season adding a NSW GOLD in decathlon, and national SILVER in discus and BRONZE in shot put. Sam is emerging as a multi athlete to watch, finishing an impressive 4th competing up an age group in U20 decathlon at Nationals. As well as representative level, Sam also competed for Cherrybrook in Treloar Shield and State Relays, competing 10 times for the club last season.

WINTER CROSS COUNTRY AND WALKS

While the main Australian athletics season runs from September to April, some of our athletes go the distance – literally!

Cherrybrook athletes' participation in the winter cross country and race walking season continues to rise, with fantastic results – most notably Ashleigh Mansell who made it a clean sweep of GOLD in the three state championship walking events.

We finished the season with SIX athletes qualifying for Nationals in Ballarat, where Morgan Dagg won BRONZE in U12B 3000m.

Well done to all our winter athletes!

BANDANNA NIGHT (TAKE 2) November 7, 2025

When our planned fundraiser/Halloween celebration on October 31 became a washout, we postponed Bandanna Night for a week ... when we raised a fabulous total of \$313 for CanTeen — a charity we support yearly which provides vital support to young people aged 12–25 who are impacted by cancer. Again, our sponsor Carlingford Active Health offered a raffle prize pack — won by Evan Semaganda — to help boost bandana sales and in turn our charity contribution.

**TOTS AND U6
NOVELTY NIGHT
November 28, 2025**

With so many of our U7-U17 athletes taking part in Zone Championships from Friday to Sunday, our normal Competition Night is suspended and instead we hold a special Novelty Night for Tiny Tots and U6s.

**MULTI NIGHT (TAKE 2)
January 30, 2026**

Like several events this season, our Multi Night – which was initially scheduled for December 12 – was washed out (although an amended wet weather program was able to be run and we still got a Competition Night in).

Multi Night was eventually held on January 30.

Multi Nights involve a point-score across all programmed events and give our younger athletes a taste of how multi-events such as pentathlon, heptathlon and decathlon work.

RIBBON NIGHT March 6, 2025

Ribbon Night was originally held exclusively for U6 athletes who did not have the opportunity to compete at Zone, but during COVID restrictions – when Zone was not run – it became a night for all, and ALL the athletes seem to love it, so it has stayed on the calendar for the whole club.

Ribbons are awarded for first, second and third place-getters in each event however the focus is on participation and everyone giving their best effort to try to achieve their best results.

END OF SEASON FUN NGHT
March 27, 2026

Windy conditions meant we had to make the early call to cancel the giant slide ... and, as much as we held out hope for a break in the rain, the weather just was not in our favour and for safety reasons we had to cancel our planned schedule of fun events to wrap up what was otherwise a fabulous season.

PRESENTATION DAY
Sunday, March 29

Held earlier this year for the first time, we had a wonderful turnout join us to celebrate all the achievements – big and small – of our younger athletes in the U6-U15 groups over our Club Competition season.

CHERRYBROOK CHALLENGE

Treloar Shield is a points-based competition and, while there are more points for placing, during the six rounds every athlete who takes part – no matter where they place – earns valuable “points for Cherrybrook” as Nicky loved to remind us all.

So, to try to encourage more athletes to enter more events – and earn more points – the “Cherrybrook Challenge” was started to encourage athletes to compete in four events in a single Treloar Shield round. Those who accept and complete the challenge earn a “Challenge Accepted” prize at the end of the season.

LITTLE ATHLETICS CLUB CHAMPIONSHIP RECORDS

(end of season 2025-2026)

Championship records were introduced in 2009-2010 to recognise the best performances of Cherrybrook athletes at Little Athletics championship events ie Zone, Region and State (and previously State Multi, which is no longer considered a championship event). Note: In most cases the Club relies on parents or athletes to inform us of a championship record.

SENIOR RECORDS

(at 31/5/2026)

While every effort is made to ensure all records are correct, we rely heavily on athletes to inform the club if they have broken a record. Records may be broken at club level, at major Little Athletics Championships and at any verifiable NSW, Australian or International meet.

Consideration will also be given to records achieved at major school events such as CCC, CHS and CIS.

If a record has been missed, please notify the club.

Please note: Records can only be set in the athlete's actual Age Group using the Athletics Australia Specifications for that Age Group - irrespective of the Age Group in which the athlete competes (for record-setting purposes, athletes cannot compete up and use a different specification from their actual Age Group).

Cherrybrook Best Ever Records will continue to be recognised for athletes using open specifications, irrespective of the age of the athlete.

MASTERS RECORDS

Masters Records can be set within 10-year Age Groups (30-39, 40-49, etc) for a range of events (typically those recognised at an Australian Masters Championship. Best Ever Masters Records (ie 30+) can be set across an expanded range of events (typically those for which Masters athletes can compete frequently).
