COLOURED PATCHES – Boys

Coloured Patches were introduced to encourage and reward ‘all-rounder’ performance in the U7 to U15 age groups.

They are not intended to reward individual excellence in ‘pet’ events, but to encourage athletes to ‘have a go’ and improve their performances across as many events as they can in both track and field.

Results can be achieved at any Cherrybrook club event, and all LANSW or ANSW sanctioned events where the results are online and can be verified. Each result can only be used once.

What each Coloured Patch represents

Yellow – All (or at least most) athletes should be able to achieve this patch

Green – Entry to Zone standard

Red – Qualify to Region standard

Blue – Qualify to State standard

Gold – State final potential standard.
